Report of Committee

The Com. have examined the condition of the present drain which has hitherto taken all the surplus water from the reservoir back of Mess Davis & Bullard's Stable & find it to be nearly if not quite filled up & therefore almost useless. The Com are of the opinion that this drain could be opened so as to afford temporary relief - And they have estimated the cost of reopening the same - The culvert under the highway and railroad will have to be relieved and a plank sewer 8 by 12 inches leading from the corner of Sleigh Shop belonging to J. A. Smith, thence over said Smith's land 450 feet to a cart road way thence by an open ditch to land of A. W. Fisher about 300 feet - The Com. believe that the whole work may be done for one hundred and fifty dollars exclusive of clearing the stone culvert under highway & railroad. Mr J. A. Smith over whose land the plank sewer would have to be laid is willing to give the town a lease of the privilege for and exceeding five years for the nominal sum of one dollar, with a proviso that no present

of the Town in all cases [illegible] [illegible] to the [illegible] [illegible]; And the Committee [illegible] whether the Town decides to accept & construct a more permanent work as contemplated by the laying out of Sewer through Brigham Street or not at this time, it is [illegible] for the [illegible] of the village that something should be done for immediate relief. The more permanent work cannot be accomplished to be of any service this season. That the more permanent work is demanded at [illegible] early day [illegible] who understands the situation of things can for a moment doubt. Should the Town instruct the Com. to provide the temporary sewerage relief herein recommended, some portion of the expense in justice should be borne by those specially benefitted thereby. —

Report

We the Selectmen of the Town of Westbrook having complied with the requirements of the law in relation to notifying the owner of a certain lot of land of our intention of laying the same as a Gravel-Pit have laid out such gravel-pit in said lot of land as follows: Beginning at a stone bound on the Southerly side of Fisher Street so called at land of E. H. Hotchkiss thence Southerly eighty four feet to a stone bound at land of said Hotchkiss; thence on land of said Hotchkiss Westerly one hundred & thirty feet to a stone bound at land of said Hotchkiss. Thence on land of said Hotchkiss northerly Eighty four feet to a stone bound at land of N. S. Fisher thence easterly on land of said Fisher and said Fisher's land one hundred and thirty feet to the point of beginning. The depth of excavation to be permitted upon such land shall be eighteen feet on the average and said land shall be held and used for the term of ten years for the purposes for which the same was taken; We have assessed the damages of the said E. H. Hotchkiss the owner of the said lot of land, as the law directs, at one Hundred Dollars ($100.00); Wherefore your Selectmen hereby respectfully report said gravel pit to the town for its acceptance

Governor, Secretary of State, Treasurer and Receiver General, Auditor of Accounts and Attorney General of the Commonwealth of Massachusetts, For Representative to the Eighth

Congress of the United State for Dist. No Nine
Also one Councillor for District No two. For a
senator to the next General Court for the Seventh
Worcester District. Also one Representative to the next
General Court for the Fourth Worcester District
Also one County Commissioner and one Register
of Probate and Insolvency for Worcester County
Polls to be opened at Nine o'clock A.M. and
may be closed at Four o'clock P.M.
Also to act on the following Articles, at Two
o'clock P.M. the same day.

Art 1 To choose a Moderator

Art 2 To see if the Town will adopt measures to drain
Cottage Street through land of the Gardner Clapp
estate and Geo. G Warner or act anything relating
to the same

Art 3 To see if the Town will appropriate money for the
purpose of cutting down West Main St near the
house of Mrs Lydia Gleason or act anything in re-
lation to the same

Art 4 To see if the town will accept the doings of the
selectmen in locating a Continuation of Whitney Street
commencing at the easterly terminus of said street as
already laid out and accepted by the town over land
of Silas C. Stow and Mrs Jane M Chase or act
anything in relation to the same.

Art 5 To see what measures the town will take to settle
with the owners of land water and water right taken
by the town by authority of vote passed at town meeting
held on the eighteenth day day of September A.D. 1895
under the act of the Legislature approved March 1.
1895 for supplying the town of Westboro and its
inhabitants with pure water for the domestic use
and other purposes. and also what measures the
Town will take for procuring such land water
and water rights. if the town may vote in ac-
cordance with the provisions of the vote passed at the afo

said meeting for the purpose of [illegible] the [illegible]
with pure water as aforesaid

Art 6 To see what action the town will take in regard to
the payment of interest on [illegible] County [illegible] [illegible]

Westboro Nov. 5th 1878.

Town met at 9 o'clock A. M. pursuant to the
foregoing warrant & the Polls were opened & the
voting commenced. At about Two o'clock the
Meeting for Town business was called to order and
warrant again read.

Art 1 Chose A. J. Rice Moderator

Art 2 Voted to choose a Committee to investigate the
matter and report at the [illegible] [illegible] [illegible]
then [illegible] [illegible] the [illegible] [illegible]
committee

Art 3 Voted to pass over the article

Art 4 The Report of the Selectmen locating the road way read and after discussion it was voted to lay the report on the table and it was then voted that the whole subject matter of the article be indefinitely postponed.

Art 5 Mr. [illegible] submitted the following. Whereas certain parties have claimed damages and others probably will claim damages from the Town of Marlborough by reason of the taking of lands, water and water right at or near "Sandra Pond" so called for the purpose of supplying said town with pure water and whereas the amount of damages to be paid can be more satisfactorily settled in most instances by a committee of the town appointed for the purpose than by following the steps marked out by the law — and whereas in some instances it would be more advantageous to the town to purchase certain lands, waters and water rights that are needed by the town for the purpose of supplying the town with pure water, than to pay damages for the taking of the same under the statutes, Therefore I move that the whole matter of settlement of damages for the taking of lands, waters or water rights, as aforesaid and the purchasing of lands, water or water rights, for the purpose aforesaid be referred to a committee of six to be appointed by the town with full authority to make such settlements for damages claimed as aforesaid and to purchase such lands for the purpose aforesaid as such committee shall deem expedient, and that in all cases where said committee cannot make such a settlement as they may judge expedient, they shall be authorized to take charge in behalf of the town of any legal proceedings that may be instituted to recover said damages. The motion was amended, so that inst[ead] of a committee of six chosen by the town there should be a committee of three, who with the

water Commissioners, should constitute the Committee, the amendment was carried and the motion as amended was adopted — Voted that a Committee of five be appointed by the Chair to nominate the Committee of three. Chair appointed J A Fayerweather [illegible] Newton, H Dudley Geo L Brigham & Franklin Holman nominating Committee. The Committee reported for the Committee of three J A Fayerweather [illegible] Newton & Edwin [illegible] & the report was accepted.

Art 6 Voted that the Town Treasurer be instructed to pay the semi annual installments of interest on the [illegible] [illegible] Bonds so called on the first day of September and March of each year the payment of the first interest to be made March 1st 1879 and the succeeding payments of interest on the succeeding first days of September and March thereafter annually.

The inhabitants selectmen of Holliston and Hopkinton having met this 4th day of November A.D. 1851 agreeable to notice given by the selectmen of Holliston that being the most accurate time for the purpose of determining the lines and running the bounds on Monument between said towns proceeded to that duty and made the following report Viz

Beginning at a stone monument marked H. H. S. standing by the north side of a road leading to the Hopkinton mill so called being the corner bounds of Holliston Hopkinton & Upton & from a stone monument marked H.H. on the town line on land of the town of Holliston thence running the same course to a stone monument marked H.H. on

the swamp North of the house of Mrs Harriet Fitch, and known as the Joshua Mellen place, thence S 26¼° W 765 rods to a stone monument marked W.H. W. standing near a wall in the woods in a southwesterly direction from the house of John & Lawson Gibbs the same being the corner bounds of Hopkinton Westboro' & Upton. And we find the above mentioned bounds and also those [illegible] in the town and County [illegible] by the line between said towns, to be well set in the ground and letters to conform with the requirements of the statutes.

In testimony whereof we have this day set our hands this 28th day of November A.D. 1881.

March 21. 1887.

Town met as per adjournment and called to order by Moderator.

Art 4. A motion was made that the town do not accept the declination of Joseph Smith to serve as Water Commissioner. After much debate it was decided by the chair to be out of order and that there was a vacancy on the Board of Water Commissioners

Voted to proceed to ballot for a Water Commissioner for 2 years.

Voted to close the polls at 11 oclock.

There being no objection the other business of the meeting was proceeded with while the voting was in progress.

The Committee of Fifteen presented the following report.

The committee on appropriations appointed at the annual town meeting have considered the matters refered to them, have conferred with the town officiers of 1886-7, and report as follows

Art. 8. The committee recommend that the dog fund be appropriated for the purchase of books for the public library

Art. 10 That there be appropriated for the fire department $1800.

Art 12. That the town sustain one night watchman

14. That $150. be appropriated for the observance of Memorial Day.

15. That $200 be appropriated for concrete walks and crossings

16. That a committee be appointed to report on the subject of printing the history of the town, with an estimate of the expense

19. That a committee be appointed to investigate the bridges and brook and estimate the expense of improvements needed

20. That a committee be appointed to confer with Mrs Hannah E. Spaulding &

to the expense of purchasing land near the Westford Hotel to widen Brigham Street.

21. That the town needs and should purchase two ladders longer than can be carried on the present hook and ladder truck. As the buildings too high for the present ladders are very near the town house, a new truck is not recommended.

22. That the town contract with the Westford Electric Light and Power Company to light the village in a better manner than now with lamps, including dark nights at all times, to furnish not less than six electric lights till 11.30 P.M., and to light lamps in the part of the village covered by the electric light at 11.30 P.M., for $1200 for one year.

The proposition for lighting the town hall, if adopted, not causing any expense to the town, the committee makes no recommendation.

26. That the town hall be painted and the entrances seathed, the estimated expense being $350 and $50. That new settees be purchased at an expense of $250.

29. That the town should not refund any taxes paid by J. A. Smith, guardian

Art 6. For the support of paupers $3500.
School expenses 14,000
Care of highways and bridges 3,300
Principal of town debt 3,000
Interest on town debt and temporary loan 1,625
Care of cemeteries 500
Contingent expenses. 1,000
School house sinking fund 800.

Treasurer 150.
Collector 200
Selectmen 275.

Books for Library (besides dog fund)	100
Use of hydrants	1700
Police (including night watch)	850

The committee were of the opinion after conferring with the Water Commissioners that the income from the water works with the allowance for hydrants will be sufficient to pay for the supervision and maintenance of that department, the interest on water bonds and the sinking fund without an appropriation.

The principal of the town debt not provided with sinking funds, is $22.000, of which $3.000 comes due this year.

At the present rate of payment the town, in twenty one years will have water works now estimated to be worth $90.000, paid for in full, and if the present use of water continues, a large income will annually be received into the town treasury which can be applied towards other expenses.

Three thousand or more of the principal of the general town debt and $800 on the school house debt is being paid annually.

Under these circumstances the committee recommend that the temporary loan of $4,000 be funded at a future meeting when an article to that effect can be inserted in the warrant.

The committee recommend that the town grant the sum of $35,625.

This amount, with State and county tax, will require on present valuation a tax rate of about $14.

Report of Committee appointed under Article 23 was presented
Voted to receive and place the same on file

Committee appointed under Article 17 to draft suitable resolutions upon the death of our late townsman Dr. Wm. Curtis, presented their report. After appropriate and feeling remarks by H. Wilson, Rev. J. R. Cushing Dr. E. R. Harvey and L. E. Denfeld it was unanimously voted by a rising vote to adopt the same and spread them upon the town records and are as follows

Whereas our late esteemed townsman
William Curtis, M. D.
in addition to large public and private bequests has manifested his affection for the Town of Westboro' and its institutions by bequeathing to it certain valuable legacies for charitable and educational purposes, We as citizens of the town desire to place on record our appreciation of his kindness and thoughtful remembrance

Therefore, Resolved, That in the death of Dr. Curtis, the town has been called to part with one of its most public spirited citizens. One whose hand was ever open to succor the needy or encourage all measures calculated to promote the welfare of this community.

That we are thankful for the life he lived among us. A life larger than church or creed, embracing in his thought and purpose the town which called him citizen, and the people who called him friend.

Resolved, That we accept with gratitude the bequests by which he has linked his name indissolubly with the charities, the tender association and memories which bind the living to the dead, and with the cause of education and general intelligence. That generations yet to come receiving the benefit of his liberality, will bless his memory and thank God that such a man has lived among us.

Art 2 Laid on table.

Art 4 Taken up. Hubbard Wilson for the committee appointed under Article 19 Annual meeting 1887 (see pages 319 & 327) reported that the culverts under Ruggles and Baxter Streets were adequate to carry off the water, that the culvert under Charles Street could be enlarged at the upper end and the ditch between Charles and Ruggles Street for about 250 feet be cleaned out and made deeper would relieve the trouble there, that there is a low place in Charles Street from

D.S. Dunlap, and a low place in Myrtle street that should be filled, and that the committee would recommend an appropriation of $100.00 to enlarge the upper end of the culvert under Charles street, clean out ditch between Charles and Ruggles streets and balance if any to be used in grading Charles and Myrtle streets.

Voted to recommit the matter to same committee, to take into consideration the suggestion that the water be carried through the land of C Whitney back of the houses on Charles street or any other method which will give relief and report at a future meeting.

W.T. Forbes, Chairman of Selectmen reported verbally that the Board had conferred with Mrs Spaulding in regard to land on Brigham street near Westboro Hotel (see Art 20. Pages 319 + 329) that it could hired for $50.00 per year or purchased for $1000.00. Repot accepted

Voted to instruct the Selectmen to hire same for one year and they take the matter of leasing or purchasing the same into consideration and report at a future meeting

Chairman Selectmen reported that gravel pits could be purchased as follows,

Of Horace M. Nichols 1 acre for One Hundred dollars
Of Martin Maleia 1 acre for One Hundred & Fifty dollars.
Of John Foley 1/4 acre for Eightyfive dollars

Repot accepted and it was voted that the entire matter be left with the Selectmen to purchase one or more of the above mentioned pits which in their opinion will be best for the town and at such terms as will be for the advantage of the town, they to receive the deeds and place the boundaries of same.

Chairman Selectmen reported in the matter surface water and sewage on Cottage and Pleasant streets (see Art 15

Page 319. that they had no recommendation to make.

J. E. Keenan. Chairman of committee to whom the matter of printing the history of the town (see Art 16 Page 319) was referred reported that Rev. H. P. DeForest could furnish the earlier history and some one here the later; could give nothing definite as to the expense, as Mr DeForest would leave the matter to the town to pay what they thought best. Voted to accept the report.

R. Boynton, Chairman of committee to whom the matter of improvement of water supply at Sandra Reservoir (was referred (see Art 28 pages 320 & 334) read report of the committee which is as follows

The committee chosen at our last Annual Town Meeting to whom was referred the article relating to our water supply having considered the subject referred to them submit the following report.

It was in the plan when our water works were first constructed that should they prove a success the storage capacity of the reservoir should be increased by raising the dams and embankments then built, within a few years and consequently the work was done at that time with this end in view.

The object of thus deepening the pond was not only to enlarge the quantity but to improve the quality of the water.

Your committee are of the opinion that this original plan should be carried out the present season and therefore recommend as follows

That the dams near the junction

of the Upton and Hyde roads be raised three feet above thier present level and the gate house raised the same number of feet and repaired or rebuilt as may be found necessary; that the Hyde road dam be raised to the level of the other dams referred to or a new one built on the north side the road as may be considered best on further investigation; that the Upton and Hyde roads be raised where needed at least two feet above high water level; that the shores of the pond be well cleaned and embanked, the slopes of the dams be properly paved and thier tops suitably covered for protection.

Reuben Boynton
Y. A. Gould
S. Converse.
W. F. Newton
Geo. A. Brigham.
F. E. Corey.
W. P. Day.

After considerable discussion it was voted to accept and adopt the repoit.

Voted that same committee be an advisory board to carry out the recommendation voted. It was voted that the report of the committee be published in next issue of the Chronotype, the 30th instant.

Art 5 Voted to appropriate Fifty Dollars ($50.00) additional for painting the Town Hall.

Voted that matter of chairs or settees be referred to Town Hall Committee to report at next annual meeting of the town; with estimated expense of same.

Art 2 Taken from table. Voted that the

Treasurer be authorized, with the approval of the Selectmen to ~~borrow~~ money to renew, replace or pay any existing loan and to issue notes or bonds of the Town therefor payable as follows viz., $2000.00 in the year 1895 and $2000.00 in the year 1896. The vote was unanimous

Art 6 Voted to pass over.

Art 7 A motion was made that the Water Commissioners be instructed to furnish water for use of the street sprinkler free of cost until further instruction

After discussing the question it was voted that the matter be left entirely with the Water Commissioners

Art 8 Voted That the Selectmen be instructed to widen the road to its proper width as laid out by the County Commissioners.

Art 2 Voted to rescind the vote passed to raise the dam at Sandra Reservoir three feet, and do other necessary work pertaining thereto, as recommended by the committee of seven which was accepted and adopted at meeting held April 27. 1887)

Art 3 Voted that the report and plans

submitted by Phineas Ball, Civil Engineer (Worcester, Mass) in relation to building a new dam at Sandra Reservoir and necessary work pertaining thereto with the exception that a new stone waste way, located so as to carry the waste water across the Upton Road by a suitable conduit just north of the ice house, which is to be omitted and the present waste way at old dam be retained, be adopted and the Water Commissioners were instructed to carry out said plans omitting the above exception and are as follows

To S.O. Staples
Joseph Smith
R.H. Burke
} Water Commissioners for the Town of Westborough.

Gentlemen:

Having examined, at your request, the matter of raising the dam at your present Sandra Pond Reservoir, and having considered the subject in all its bearings, the investigation has resulted in the following conclusions, viz.-

That it is far better to build a new permanent dam across the narrow neck at the upper end of the small lower basin of the reservoir than to raise the present dam.

The lenght of the present dam when raised three feet will be 775 feet. A new dam raised five feet above present high water will be only 291 feet, or the lenght of the old dam when raised would be over two and a half times the lenght of the new dam. The filling of some portions of the old dam, when widened will exceed that of the new one. The quantity of material to be used in

raising the old dam three feet is much larger than that required to build a new one five feet. The site of the present dam is not so good in all respects to build upon as is the new one.

The work to be done in raising the Upton and Hyde Roads, for a corresponding height of dam, is the same in either case.

Therefore it is recommended

That a new dam be built in the above new location, raising the present water level five feet instead of three

That the Upton and Hyde Roads be raised to a corresponding height.

That the present dam be left at its present height only receiving such additions as may be necessary to put it in good condition

Omitted (That the present wasteway at the old dam be abandoned and filled up and that a new stone waste way be built located so as to carry the waste water across the Upton Road by a suitable conduit just north of the ice house)

That in raising the Hyde Road the present wasteway be abandoned. That a waste-way be built between the upper and lower basins across the neck of land which seperates them as shown on the map.

That a new gatehouse be built above the new dam

That a twenty inch outlet pipe be carried from the new gatehouse and connected with the present outlet pipe and so arranged that water may be drawn from the upper basin directly into the present outlet pipe without being let into the lower basin, or water may be let into the lower basin from this pipe whenever there is a reason for so doing, and thence be drawn from the lower basin.

That a 12-inch drain pipe be laid from the upper reservoir into the lower basin arranged to be used independently of the gate house or outlet pipe.

That a 16-inch drain pipe be laid under the new waste way at the Upton Road, so low down as to completely drain the lower basin.

The building of the new dam has the following substantial reasons in its favor.

First. The total cost will be about the same for a new dam raised five feet as for the old one raised three.

Second. The increase in stored water will be from 35 to 40 million gallons over the raising of three feet.

Third The increased depth of water over the present shallow portions of the upper basin will tend to kill out effectually all growing vegetation and largely increase the chances of improving the quality of the stored water during hot weather

I have this day served the within warrant as directed, by posting up attested copies thereof at the Post Office and Town Hall in Westboro.

J. N. Fairbanks.
Constable of Westboro.

Westboro' September 21. 1887

Town assembled and warrant read by Clerk.

Article 1 Chose by ballot Joshua E. Beeman, Moderator
Check List being used

Article 2 Committee to whom was referred the subject of the water courses on Charles and Ruggles Streets reported that they would recommend that the culverts on Charles and Ruggles streets be enlarged to the width of four and the depth of three feet.

After much discussion it was voted that the subject be referred back to the same committee with authority to act in the matter as they in their judgment deemed best.

Committee on the History of the Town, presented their report, in which they recommend that the town procure 100 copies, and that an appropriation of $800. be made to cover the expense of printing and publishing the same.

Voted that the report be accepted and recommendations adopted.

Voted that the committee may sell

the recommendations and have power to fill any vacancy.

Art 3 Voted that when this meeting adjourns it adjourn to one week from tonight at 7½ oclock.

Voted to lay upon the table

Art 4 Laid upon the table until adjourned meeting.

Art 5 Laid upon the table until adjourned meeting.

Art 6 Voted that additional Water Bonds of the Town of Westboro payable in Thirty years from the Sixteenth day of September A.D. 1886, with interest payable semi-annually at the rate of Four per cent, per annum, the first installment of interest to be paid on the first day of March or September succeeding the date of such bonds and the succeeding payments of interest to be on the succeeding first days of March and September annually, said bonds to be denominated "Westboro Water Bonds" signed by the Town Treasurer and a majority of the Selectmen be issued to an amount not to exceed Ten Thousand dollars to pay for such expenses have been or may be authorized by vote of the town in connection with the Water Works. Also for such damages as the town is or may be legally bound to pay for the taking of Land, Water, and Water rights under the Act for supplying the Town of Westborough with pure water, approved March 15th 1873. And that the Water Commissioners and the Town Treasurer be a committee for the sale of said bonds at public or private sale, at such times, and such amounts, and for such prices, as the said committee may deem expedient.

The vote was unanimous

Voted to adjourn, to Wednesday evening September 28th 1887 at 7.30 oclock.

Attest F. W. Bullard
Town Clerk

September 28. 1887

Town met as per adjournment and was called to order by the Moderator.

Art 2 Taken from the table. The Moderator announced that Mr Hubbard Wilson, Chairman of the committee to whom the matter of the water courses on Charles and Ruggles streets was reffered had tendered his resignation as a member of the committee.

A motion was made to reconsider the vote whereby this matter was reffered back to same committee (see page 349 Art 2) It was not a vote

Mr. J. A. Fayerweather declined to serve on the committee.

Voted that the committee be increased to four and the Selectmen be chosen to fill the vacancy the committee as now constituted being D. D. Dinan and the Selectmen.

Art 3 Taken from the table. The Selectmen reported recommending that the foot bridge across the Boston & Albany Railroad track, if built, should be of iron, extending from the line between J. B. Tuomi's land and the Brigham Greenhouses, to the shoe factory occupied by Gould & Walker, making the foot way an extension of the south easterly sidewalk of Winter Street.

The cost of the bridge and approaches they estimated at $1600.00.

In case the town decided to build a carriage bridge they recommended that it extend from a point opposite Jay Street to a private street parallel to the Boston & Albany Railroad and opening out from Spring Street, and the bridge be of iron. The cost was estimated at five thousand dollars.

Voted to accept the report and adopt the portion recommending a carriage bridge.

Voted to authorize and instruct the Selectmen to carry out this vote immediately.

Art 4 The Selectmen reported that it would be necessary to cut down the banks in front of the estate of heirs of Anna M. Phillips and remove the wall in order to comply with the previous vote of the town. They had been notified by the heirs that no claim would be made for damages in case the walls were moved back to the line of the street. They reported that in their judgement the Phillips heirs could not collect damages from the town for lowering the grade where the side walk is to be constructed; but there was sufficient doubt to make it advisable for the town to move the wall back at an estimated expense of $75, and avoid any possible litigation.

Voted to accept the report and in carrying out the plan of the road as relocated by the County Commissioners the Selectmen be authorized to move the wall back and relay it at the expense of the town.

Voted that the matter of cutting down or leaving the trees in the walk as relocated be left with the Selectmen to act as they in their discretion deem best.

Art 5 Voted to pass over.

Voted to adjourn sine die

Worcester ss. Westboro November 1st A.D. 1887

I have this day served the within warrant as directed by posting up attested copies thereof at the Post Office and Town Hall in said Westboro

J. W. Fairbanks.
Constable of Westboro

Westboro, November 8. 1887

Meeting called to order at 9 A.M. by Town Clerk and warrant read. E. E. Buntap and Edward Holborn were appointed Tellers by the Selectmen to assist in checking names of voters and in assorting and counting votes. The Tellers were sworn by the Town Clerk.

In accordance with Section 20 Chapter 279 Laws and Resolves 1888 it was unanimously voted by the Selectmen Tellers and Town Clerk to open the Ballot Box at the hour of 11 o'clock A.M. and 1. 2 and 3 o'clock P.M. for the purpose of facilitating the counting of the ballots.

The Ballot Box was examined in the presence of the voters, declared empty, was locked and the keys given to Constable J. W. Fairbanks.

Chairman Forbes announced that the Selectmen were ready to receive votes and the voting began.

At 11 o'clock A.M. the Ballot Box was opened

full view of the voters present. The register of the Box indicated that 259 votes had been cast. There were taken therefrom 256 votes which were counted audibly. Four votes failed to register the first time.

The Box was declared empty, locked and keys given to the Constable. At 1 o'clock P.M. the Box was opened and 240 votes taken therefrom and counted as before. the register indicated 505 and 8 ballots were reported as having failed to register the first time.

The Box was declared empty, locked and keys given to the Constable. At 2 o'clock P.M. the Box was opened and 14 votes were taken therefrom and counted as before the register indicated 591, and 2 ballots were reported as having failed to register the first time.

The Box was declared empty, locked and keys given to the Constable.

At about 2.05 o'clock P.M. meeting for town business was called to order by Town Clerk and under

Art 1 Dr. E. B. Harvey was chosen Moderator.

Art 2 The Selectmen reported that the wooden drain leading north from the Boston & Albany Railroad culvert near Brigham Street through land of J. A. Smith, was not large enough to carry off the surface water conducted to the culvert by the town drains, that ~~that~~ the water in times of freshet set back and overflowed the land between that street and the Bates Straw Shop. They presented the report of C. A. Allen, Esq of Worcester, civil engineer, who recommended filling the low land between the Bates' Shop and Brigham Street from one to two feet and the construction of a drain through that land with a catch basin at the entrance and at Brigham St near the Railroad land; also an adequate brick or wooden drain from the culvert to the swamp. He considered that a pipe drain 2 feet 3 inches in diameter would be ample

for his estimate of 66 acres drained.

The following proposition from I. A. Smith was read. The town may build a covered drain from the outlet of the Railroad culvert to the bridge across the travel way leading to his warehouse of such dimensions as may be deemed expedient. The Town covering the same with soil and cleaning up what waste material there shall remain after said drain may be built and in position. The Town to clean out the Catch Basin south of the bridge and clean out the open drain as far as my land extends and I will give the town the right to maintain the same for the term of Ten years on the payment of Ten Dollars.

Voted, that the town construct a wooden drain from the Boston & Albany land near Brigham St., to Cedar Swamp at a point northeast of the road leading to I. A. Smith's warehouse and construct a catchbasin at Brigham St., on the terms offered by said Smith to the town and to enlarge if necessary and perfect the drain from the South side of Brigham Street.

Voted, that the construction of the drain and catch basin be under the supervision of the Selectmen

Art 3 Voted, That the Town Hall Committee be instructed to procure suitable seats for the Town Hall.

At 2.40 o'clock P.M. voted to dissolve the business meeting.

Voted to close the Polls at 4 o'clock P.M.

At 3 o'clock P.M. the Box was opened and 54 votes taken therefrom and counted audibly as before. The register indicated 146, and 1 ballot was reported as failed to register. The first time the Box was declared empty, locked and the

keys given to the Constable.

At 4 oclock P.M. the Chairman announced that in accordance with the vote of the town the Polls were now closed

The Box was opened and 35 votes taken therefrom and counted as before the register indicated 684 and 3 ballots repeated failed to register the first time. The ballots were then counted, 669 votes having been cast and the result was declared as follows

Worcester, ss.

To any Constable of the Town of Westborough, in the County of Worcester,

Greeting

In the name of the Commonwealth of Massachusetts, you are directed to notify and warn the Inhabitants of the town of Westborough, qualified to vote in elections and town affairs, to meet at the Town Hall, in Westborough, on Monday the Ninth day of April next at eight oclock in the afternoon, then and there to act on the following articles.

Art 1 To choose a Moderator.

Art 2 To fix the time when all taxes shall be paid and determine what discount shall be allowed thereon and act any thing in relation to the same.

Art 3 To see what action the town will take in regard to rebuilding the bridge near the house of John H. Johnson.

Art 4 To see if the town will purchase gravel pits for use in repairing highways or act anything in relation to the same.

Art 5 To see if the town will lease the land of Hannah E. Spaulding in front of the Westboro Hotel or act anything in relation to the same

Art 6 To see what action the town will take in regard to widening Milk Street and Church Street, near the corner of Milk and Church Streets.

Art 7 To see if the town will appropriate money to pay for cutting brush by the sides of the roads of the town or act anything in relation to the same.

Art 8 To see if the town will purchase or lease a piece of land belonging to John Davit or act anything in relation to the same.

Art 9 To see what action the town will take in regard to the suit of John P. Brown against the town.

Art 10 To see if the town will sell the house and land on Willow Street now owned by the town, or act anything thereon.

Art 11 To see if the town will issue Water Bonds to pay the additional expenses which have been or may be authorized by the town in connection with the Water Works and provide for the same in accordance with the Act to supply the town with pure water approved March 15th 1873.

And you are directed to serve this warrant by posting up attested copies thereof at the Post Office and Town Hall in said Town, seven days, at least, before the time of holding said meeting.

Hereof fail not and make return of this Warrant, with your doings thereon, to the Town Clerk of said Westboro, on or before the time of holding said meeting.

April 9. 1888

Town met as per adjournment and was called to order by the Moderator.

Art 3 Action upon H. L. Chase - Chairman of the committee appointed under Article 2, (see page 367) to ascertain if any of the Water Commissioners have been pecuniarily interested in contracts relating to the Water Works &c, presented the following report.

Your Committee are of the opinion from all the sources of information at hand, that one of the Water Commissioners was pecuniarily interested in a contract given by the Water Com. in the year 1884 to one J. A. Priest to lay an extension pipe to Willow Park. In the Town report of the year 1885 your Committee find nothing in the financial statement of the Water Com. to show that the interested Water Commissioner received any money on said extension.

Whether such interest was rightfully or wrongfully secured or whether it was pecuniarily detrimental to the Town your committee do not undertake to say.

Your committee do undertake to say that no Town Officier ought ever to

in two capacities. As to the matter covered by the rest of the motion your committee find nothing to warrant an accusation against anyone.

L. E. Denfeld }

Voted to accept the report

Art 19 Taken up. H. L. Chase Chief of the Board of Engineers and Chairman of the committee appointed under Article 19. (see page 372) repoited that the committee had looked at several locations, but would recommend the C. O. Parker estate on South Street, which could be purchased for $6000.00 and a new engine house suitable for the requirements of the Fire Department would cost $7000.00 making the total estimate $13,000.00.

After much discussion it was,

Voted, That the sum of $13,000.00 be appropriated for the purchase of a suitable lot and the erection of a new engine house. (Yes. 166 No. 17)

Voted, That the Board of Engineers and three persone who are not members of the Fire Department, to be chosen by nomination, be a committee to procure a suitable site and erect a new engine house.

George O. Brigham, W. T. Forbes, and Anson Warren were chosen as the additional members of the committee.

Art 20 J. E. Seaman for the Board of Selectmen to whom the matter of drainage was referred (see page 372) reported that the drain across Main Street, and the drain across Church Street, near the corner of Main and Church Streets are to small to carry off the surplus water, and they would recommend

be taken up and made larger, and would recommend that two or three wells be constructed in School Street to carry off the surplus there, and would recommended that Water Street be graded, the sidewalk raised and the water carried below Willow Street, and that they were not prepared to make any recommendations in regard to Charles Street.

Voted to accept the report, and the work be carried out and done under the supervision of the Selectmen as recommended by them.

Art 27 Taken up. Frank W. Forbes for the Overseers of the Poor to whom the matter of lighting the streets by electricity or otherwise was referred (see Art 27 page 373) reported that The Westboro Electric and Power Co will furnish 29 Arc lights at $80.00 each for one year, the lights to be run till 12 oclock midnight as many nights as necessary, and if the number mentioned is not sufficient the Company will furnish another arc light without additional expense, making the cost of lighting the streets by electricity the sum of $2320.00. and they would recommend that the town accept this proposition and the streets be lighted by electricity. REPORT

—:OF:—

Ways and Means Committee.

To the Legal Voters of Westborough, assembled in Town Meeting, March 2, 1891.

Agreeably to a resolution passed by the last annual meeting, the several boards of town officers, having formed themselves into a "Committee of ways and Means" as directed by said resolution, respectfully make the following recommendations, to wit: that the officers of the town be paid a fixed salary, and for such payment the sum of $2965 be appropriated; that the board of selectmen be paid $275; board of water commissioners $425; board of overseers of poor $200; board of auditors $30; librarians $500; superintendent of schools $500; treasurer of sinking funds $50; town clerk $50; town treasurer $150; collector of taxes $200 plus 5 per cent of amount collected from payers of poll tax only.

The committee further recommend that appropriations be made as follows:

Memorial day services, $150; care of cemeteries, $500; concrete walks, $300; lighting streets and public buildings, $2,500; roads and bridges, $3,500; fire department, $2,275 for pay roll, $1,000 for incidentals, and $300 for new hose; police service, $1,000; pauper department, $3,800; soldiers relief, $150; water department, for water from 77 hydrants, at $25 each, $1,925; contingent expenses, $1,000; interest on money borrowed in anticipation of tax collection, $600; interest on municipal debt, $1,892; engine house sinking fund, $1,040; school house sinking fund, $800 payment of dues on loan of 1885, $3,000; school department, $3,460 for incidentals and $12,300 for school room expenses, making a total of $15,760.

The total amount of appropriations herein recommended is $44.457.

The recommendation of so large a sum for the school department becomes necessary from the fact that the school account, as shown by the books of the town treasurer, is largely overdrawn, the actual amount being $2,725. The expenses in this department this year, under the present policy of the school board, will not be less than $11,535 for schools and $1,500 for incidentals. These amounts, plus the the deficit, make a total of $15,760. It should be noticed, too, that the salary of the superintendent, as recommended, is included in another appropriation.

The committee further recommend that the sum of $4,000, which amount it is necessary to provide for as indebtedness incurred in building the new bridge, be funded and made payable, $1,000 in 1897 and $3,000 in 1898.

Regarding a "special appropriation to raise Boardman and Phillips streets near Milk street," the committee make no recommendation.

The recommendation that the town pay the water department for hydrant service is made with the understanding that said department be required to meet the water sinking fund requirements.

For the Committee,

E. B. HARVEY, *Chairman*

H. L. CHASE, *Secretary.*

I have served the within warrant as directed by posting up attested copies thereof at the Post Office and Town Hall in said Westboro'

William Magner.
Constable of Westboro'

Westboro, April 30. 1888.

Town assembled and warrant read by Clerk

Art 1 Chose E. R. Harvey Moderator.

Art 4 Taken up. Voted that the subject matter be referred to the Board of Selectmen with authority to sell and convey the land as they in their judgement think best for the interests of the town. (See Art 4 Page 384)

Art 5 Voted that the subject matter be referred

to the Board of Selectmen with authority to act as in their judgement they deem best.

Art 6. Voted to refer to the committee (See Art 19. Page to sell any part of the property that they shall in their judgement think best.

Voted that the Town Treasurer be authorized to convey and deed any of the proper the committee may sell.

Art 4 Taken up. Voted that the Town Treasurer be authorized to convey and deed the land whenever the same is sold. (See Art 4. Page 382.

Art 7 Taken up. J. E. Beeman for the Board of Selectmen reported verbally that the proposed improvement at corner of Milk and Church Streets could be done ~~they~~ estimated at the cost of $200.00. The report was accepted

Voted that the Selectmen be authorized to make the improvement as proposed at an expense not to exceed $200.00.

(See Art 6 page 375 and Art 6 page 379.)

Chief Engineer H. L. Chase for the committee to procure site for and erect a new engine house verbally reported progress that the real estate of Mrs Andie R. Maynard corner of Milk and Grove streets had been purchased for the sum of $4500.00.

T. H. Reilly for the Selectmen in answer to an inquiry in regard to the bridge to be built over the Boston & Albany Railroad as voted by the town (See Art 3. page 351. stated that plans and estimates had been procured, but as a bill was pending in the legislature of the state requiring railroad corporations to pay

half the cost of such bridges, it had been deemed advisable to await action of same.

J.H. Reilly for the Board of Selectmen stated ~~that~~ a Gravel Bank was very much needed in the center of the town, a bank on Willow St could be purchased and thought it cheaper for town than to haul the gravel a distance from the outskirts of the town, Mr Brigham would sell his land on Willow St, reserving the Cider Mill so called and some land around it for $2500.00. Mr. Charles Hayden will sell his house and land for $1500.00 or trade for the land now owned by the town. No action was taken.

Art 3 Taken up. No action.

"Whereas it is desirable that the yearly appropriations for the various departments of the Town shall be granted at the annual Town Meting in March or as soon thereafter as a due regard for economy and a reasonable time for investigation will permit and whereas it is important that the voters of the Town shall have ample time to familiarize themselves with the needs of the different departments to the end that they may act understandingly
Therefore - Resolved that it is the sense of this meeting that the following items of appropriations
The Board of Selectmen

" " Treasurer, Coumers of the Poor, Assessors, School Committee, Water Commissioners, Chairman Bd of Engineers, Chairman of Cemetery Com. and Chairman of Trustees of Town Library, form themselves into a committee of ways and means, whose duty it shall be to carefully investigate the reports of the various committees and officers of the Town which relate to the expenditure of money; and report the amounts which in their judgement the Town should grant for expenses for the ensuing year.

They shall call a public hearing for all citizens of the Town interested, to be held sometime during the month of February, previous to the annual March meeting and shall render their report at least two days before said meeting.

A. F. Watson offered as follows

" Resolved that it is the sense of the voters of West-boro, in Town meeting assembled, that the Assessors should ascertain as nearly as possible how much property every one has that is liable to taxation; and that they should thoroughly revise the inventory of the real estate in the town, carefully estimate its worth, and assess all property at its actual value, to the end, that the rate of taxation may be lowered."

A. M. Wickham offered an amendment that all taxpayers be put under oath.

Miles Morse - Voted to lay resolutions on table.

Commonwealth of Massachusetts.

Worcester, ss.

At a meeting of the County Commissioners of the County of Worcester, begun and holden at Worcester, within and for said County, on the third Tuesday of June, A.D. 1890, and by adjournment on the fifth day of August, A.D. 1890.

Present Henry B. Ayer Esquire Chairman
Emory Washburn Esquire
Charles J. Rice Esquire
County Commissioners

The petition of Harding Allen, Edwin B. Hathaway and John B. Henry, Selectmen of Westborough in said County represents as follows, viz:—

"To the Honorable Board of County Commissioners within and for the County of Worcester. Respectfully represent Harding Allen, Edwin B. Hathaway and John B. Henry, Selectmen of the Town of Westborough, in said County, that the Public convenience and necessity require that a town way be laid out across the Boston and Albany Railroad, at a place in said Westborough where a town way known as Fay street, if extended in its present course northeasterly would cross said railroad: said laid out town way being two and one half rods in width and extending entirely across the land there situate owned by the Boston and Albany Railroad Company.

Wherefore your petitioners pray that said Town may be authorized to lay out a town way across said railroad under the provisions of chapter one hundred and twelve of the Public Statutes.

Westborough July 2. 1890."

Thus petition was presented to the Commissioners and duly entered at the meeting of said Commissioners held at Worcester on the eighth day of July A.D. 1890 and the fifth day of August A.D. 1890 at the office in the Court House and the Brick Court House in said Worcester as adjourned times and place for hearing the petitioner and all other parties

interested in the matter of said petition and thereupon ordered: That notice be given to the Bost. and Albany Railroad Company and all other corporations and persons interested therein, to appear at a meeting of said Commissioners, appointed to be holden at the Brick Court House in Worcester, said County, on Tuesday, the fifth day of August next at ten o'clock in the forenoon, by publishing an attested copy of said petition and of said order thereon, in the Westborough Chronotype, a news-paper printed in Westborough, in said County, once a week three weeks successively, the last publication to be two days, at least before the time of said meeting, at which time and place the said Commissioners will proceed to hear all persons and corporations who may desire to be heard, and take such action in relation thereto as by law they may be authorized or required to do. And on said fifth day of August the Commissioners met at the time and place specified in said order, when and where the petitioners appeared by their attorney and the said Commissioners there heard the petitioners and no one appearing to oppose the granting of the said petition, proceeded to consider and adjudicate upon the prayer of said petition and thereupon the said Commissioners did adjudge that public convenience and necessity require that said way be laid across said railroad as prayed for in said petition.

And now the Commissioners do authorize the said town of Westborough to lay out said way across said railroad at the place described in said petition, the said way to be laid out so as to cross the said railroad by a bridge at a height not less than twenty feet above the tracks of said railroad and the said way to be laid out in such manner as not to injure or obstruct the

said railroad.

By the County Commissioners of the County of Worcester.

TREATMENT REPORT
November 1988

Town Records
Vol. 6
Westborough

Upon receipt, this book had been rebound. The folios were in poor condition, especially at the spine. The paper was acidic.

The book was dismantled and mended with Japanese tissue and methyl cellulose paste. All folios were treated with Wei T'o non-aqueous deacidifier. Weak folios were reinforced with Cerex nylon and Bostik web adhesive.

The book was resewn and backed with linen. Spine adhesive is hot animal glue. Cover material is goatskin and all boards and flyleaves are acid-free.
